Dear Parent(s)

Homework Club and after School facilities

Due to a change in staffing allocation we are regrettably unable to support the use of the Homework Club from after half-term until the start of the new academic year. Boys will still be permitted to stay on site to wait for parents in the canteen area of the School only, until 5.30pm at the latest. This will be unsupervised.

It is important that if you need to use this facility your son is made aware that he must only stay in this area. This arrangement does not include playing on the MPA/CPA or in any other area of the School.

We are in the process of looking at other ways of supporting after-school care for pupils and the staffing associated with this which will be in place for September 2017.

I would also like to draw to your attention to the fact that pupils should not be present on the School site before 7.30am. As with arrangements set out above, they should remain in the canteen until 8.00am when pupils will have unsupervised access to form rooms. They should then wait for the member of staff to arrive who will take registration.

I will write to you again once we have made appropriate arrangements.

Yours sincerely

Richard Langton
