Dear Parents and Guardians

Careers Fair, Friday 24th March, 1pm-6pm

We would like to invite students from Year 12 to visit our careers fair between 1pm and 6pm on Friday, 24th March with parents invited in from 4pm onwards.

We are delighted that 16 organisations are supporting this event, including various Universities, Training Providers and Employers. It is a great opportunity to ask questions, find out further information and have the opportunity to attend various presentations throughout the day. Pupils are free to speak to the organisations in the Hall during lunchtime; any free periods after lunch; and after 4pm.

We have forty-five places for each presentation, which will be allocated on a first come first served basis, with the students signing-up via sheets outside my office in the Bateman Room. If pupils have a timetabled lesson which clashes with a presentation they *must inform their subject teacher of their absence in advance*.

Presentation timings are as follows:

2pm	Oxford University - Admissions Tests and the Interview Process
2.30pm	PWC - Apprenticeships and Employment Opportunities
3pm	University of Birmingham - The Medical School
3.30pm	University of Durham - University Life at the University of Durham
4pm	RSM - UK (Accountancy) - Employment Opportunities
4.30pm	University of Bath - Overview of University and Study Abroad
5pm	Aston University - Benefits of Higher Education

We would encourage you to visit this event given the importance of your child's decision making with Post-18 options. If you have any further questions, please do not hesitate to contact myself or Miss Weston, who has been responsible for much hard work behind the scenes in organizing the event.

Yours sincerely

Mr R J Matley
