12th January 2017

Dear Parent(s)/Carers

CGP Revision Guides Mathematics

The mathematics department is offering you the opportunity to purchase CGP revision guides, workbooks and practice papers through the school's parent pay system.

These will be a valuable resource to use for the revision of your son's mathematics in preparation for his GCSE; they cover the full AQA specification. Due to this being the first sitting of the new GCSE in mathematics these revision guides are different from previous editions, furthermore the exam papers will be particularly useful as revision material.

Please return the slip below indicating which resources you would be interested in purchasing to your son's **maths teacher**.

The deadline for the return of the slip is **Thursday 26th January**, payment must be made via parent pay before your son is able to acquire them.

Yours sincerely,

Mr S. W. Willis
Head of Mathematics Department
