How good are our results and where do our students go?

A-level

- 76% of grades at A* / A / B
- 43% of grades at A*/A
- 99% pass rate
- Average grade of B+ across all entries
- 54 candidates achieved A*/A grades in all of their subjects
- 28 students achieved at least 2 A* grades, with 60 achieving 3 or more A/A*s
- 3 students have been successful in attaining Oxbridge places
- More than 25 students have secured places on medicine and dentistry courses
- A number of students have secured degree apprenticeships with national organisations
- One student named by OCR as one of the top performers nationally in her A Level in Art and Design: Fine Art

Bring Your Own Device (BYOD)

- All students joining our 6th Form will be expected to bring a personal, stylus-enabled digital device to school each day
- Students will be expected to use these devices to carry out and organise their course notes and resources.
- The introduction of BYOD reflects our commitment to equipping students with the digital literacy and independent learning skills they need to thrive in the 21st-century world of work and higher education, including:

1. **Improved organisation of notes and learning materials**, enabling students to manage and revise content more effectively across subjects.
2. **Increased personalisation of learning**, allowing students to engage with resources and tasks in a way that suits their needs and learning preferences.
3. **Development of essential digital skills**, which are now a fundamental requirement in both higher education and the modern workplace.

- Get the grades!
  - a total point score of 54 points in the best 8 GCSE grades.
  - These 8 must include English and Maths at grade 6 or above.
  - Candidates will usually be expected to achieve at least grade 7 in the subjects they wish to study at A Level.
- Post results offers service this year

20

QMGS Expression of Interest Form - Sixth Form Entry 2027

Please complete the MS form for entry to Sixth Form in **September 2027.** We **do not** admit students who are out of year into the Sixth Form and therefore ask that only current Y11 students complete the expression of interest form. Please ensure you have read the sixth form options booklet before making your A-Level course choices - this can be found here: Our Sixth Form Induction Booklet can also be found here:

Deadline: 29th January 2027

Queen Mary's Grammar School - 6th Form Admissions

Admissions

Current Year 11 students at QMGS and all students applying from other schools should indicate their intention to join the Sixth Form at Queen Mary's Grammar School and submit their initial A-level subject preferences during the application period, which closes every year at the end of January. These preferences will help the school to plan its curriculum and options blocks, but they do not constitute an offer of a place or a guarantee that a particular subject or combination of subjects will be available.

No conditional offers will be made before GCSE results are published.

Following the publication of GCSE results in August 2027, applicants will be required to provide verified results and confirm their preferred subjects by the published deadline. Admission will then be determined using the entry requirements and oversubscription criteria set out in the School's Sixth Form admissions arrangements.

Current QMGS Year 11 students who meet the published entry requirements will be eligible to continue into the Sixth Form, subject to the availability and suitability of courses. Where the number of eligible applicants from other schools exceeds the number of external places available, applicants will be ranked in accordance with the School's published oversubscription criteria, using their actual GCSE results.

An offer of admission to the Sixth Form does not guarantee a place on a particular course or combination of courses. Subject places will depend upon applicants meeting the relevant subject-entry requirements, the availability of places within teaching groups and the School's ability to provide the requested combination.

When you submit this form, it will not automatically collect your details like name and email address unless you provide it yourself.
