Queen Mary's Grammar School
Headmaster: R J Langton, M A

November 2026

Dear parents/carers of Year 11 students,

Sixth Form Options Evening — Thursday 19 November, 4.00–5.00pm

As your child prepares for their GCSE mock examinations, they will also be considering their next steps after Year 11. We are delighted to invite you and your child to our Sixth Form Options Evening on Thursday 19 November, from 4.00 to 5.00pm, in the school hall and annex.

The evening will help you explore our A level courses and learn more about life in the Sixth Form at Queen Mary's. You will also be able to find out about courses offered by other schools within the Mercian Trust.

Choosing suitable subjects is an important part of planning for further education, training or employment. During the evening, you will be able to:

- **Explore** course content, assessment methods and progression opportunities with A level subject specialists.
- **Speak** with current students about their experiences of Sixth Form life.
- **Discover** the support and enrichment available, including university preparation, apprenticeship advice and careers guidance.

We strongly encourage all Year 11 students and their parents or carers to attend. The information and conversations available will help you and your child make choices that reflect their strengths, interests and future plans.

Year 11 students from other schools who are considering joining us next September will attend a separate session from 5.30 to 7.30pm. To help us prepare for their arrival and manage visitor numbers safely, please leave the school site promptly by 5.00pm.
If you have questions before the event, or need further information afterwards, please contact us. Information about A level options and admissions is also available on our website: Sixth Form admissions.
We look forward to welcoming you and your child on 19 November.

Yours sincerely,

Richard Langton
Headmaster
